

To Whom it May Concern:

My name is Raul Gonzalez and I am currently the hitting coach for the Cleveland Guardians Organization. Please consider this a letter of recommendation for Aidin Torrez. I had the pleasure of helping and coaching Aidin with hitting lessons since the summer of 2022. Aidin is a very responsible and coachable young man who learns quickly and has a great attitude.

At Brawley High School, Aidin has been a Varsity player since his freshman year. I have kept up with his performance and have seen him improve every season. Aidin has matured and improved in the process and has implemented a structured routine for his success in the classroom and on the baseball field.

In closing, I recommend Aidin Torrez for any position that you have open in your program. He has earned my respect as a player and person, and in time he will do the same with you and your program. If you have any questions please feel free to contact me.

Sincerely,
