

To Whom It May Concern,

During the past two school years, I have served as Vito's baseball coach at Northport High School. I have witnessed him show a strong work ethic, determination and perseverance. Vito is determined to play baseball at the highest level he can. He works daily at perfecting his craft. He's a very coachable player on and off the field. Baseball is a game of failure, no one is perfect. When Vito struggles, his recipe for success is to work harder. Vito has learned to use in game struggles to fuel his drive to become student athlete

Vito was our centerfielder and lead off hitter in the 2022 season. He led the team in stolen bases and runs scored. Vito was second on the team in batting average and second on the team in runs batted in

I am confident Vito's work ethic and skill set would make him a valuable asset to many college baseball programs. Please don't not hesitate to contact me with any further questions

Sincerely,
Lucas Vallas
